ADAPTED PHYSICAL EDUCATION

ONLINE GRADUATE ENDORSEMENT PROGRAM

Adapted Physical Education students experiencing Wheelchair Basketball

The mission of the Kinesiology and Health Department at Wright State University is to educate all individuals in the development of a healthy, active lifestyle, and to advance the health care of physically active individuals through the integration of theoretical and applied practice in educational and clinical settings.

Kinesiology & Health **WRIGHT STATE UNIVERSITY**

The Adapted Physical Education graduate endorsement certificate at Wright State University in Dayton, Ohio offers students the opportunity to actively engage in online courses from the comfort of their homes. Students will complete five high-quality graduate level courses, four of which are online during the school year. The fifth, and culminating class students will take is offered in the summer and will meet for one week on the campus of Wright State University. At the successful completion of all the courses and a 200 hour field experience in Adapted Physical Education, students will be eligible to sit for the Adapted Physical Education National Standards (APENS) exam to become a Certified Adapted Physical Educator (CAPE).
