INFORMATION

1. The consumer's name and address must be written (in BLOCK LETTERS) in the space provided on the front page.
2. In order to buy any food that is rationed, you must register with a retailer who sells that food.
3. Write the names and addresses of the retailers with whom you intend to register in the spaces provided.
4. Write your name and address (in BLOCK LETTERS) and the date at the bottom of each coupon page, then take this book to the retailer with whom you wish to buy from. Each retailer will write his name and business address on the coupon page which they will cut out and keep.
5. Every time you buy rationed food you must hand your ration book to the retailer and he will detach the appropriate coupons. You must not detach coupons yourself. If you do, they will be useless.
6. Coupons not used in the week to which they relate cannot be used later.
7. If eating away from home, a meat or bacon coupon may be used to obtain a cooked meal of rationed meat or bacon in a hotel, cafe, tea-shop, etc. The half-coupon must be detached from your ration book by the person serving the meal.
8. If you live in a hotel, boarding-house, hostel or similar establishment, do not take your book to a retailer but hand it to the proprietor, manager or other person responsible for the feeding arrangements, who will detach the appropriate coupons and return the book when you leave.

Each page has a larger margin on the left-hand side so you can cut-out individually and staple together.

9. If you are leaving home on holiday or business, always take this book with you. If you are going to stay in a hotel or boarding-house, hand this book to the management on arrival. If you are staying in lodgings and intend to do your own shopping, take this book to the Food Office in the district where you are staying and you will be given an Emergency Card. You can get a new Emergency Card each week for a maximum of 6 weeks. Don't forget to collect this book from the Food Office before you leave for home.

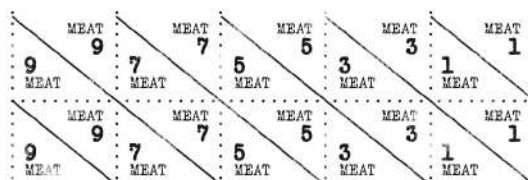

10. If moving to another district and you have to change retailers, go to the Food Office in the district to which you have moved, where arrangements will be made for you to register with retailers in your new district.

11. If you join the Navy, Army or Air Force, or are supplied with rations by the government or other authority, return this book to the Food Office immediately.

12. If you intend to leave the country for more than 4 weeks you must hand this book to the Immigration Officer when you embark. If you are going abroad for a shorter period, you may retain the book but you must show it to the Immigration Officer on leaving and on your return.

13. If you have to leave your home on account of air raids or because you live in a danger zone, take this book with you if possible. In any case, go to the nearest Food Office for an Emergency Card on arrival at your destination.

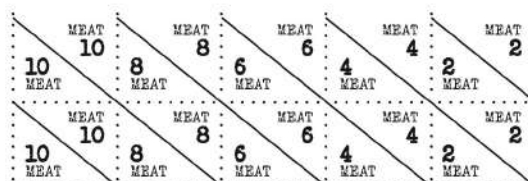

14. Any false statement, misuse of this book or breach of these instructions renders you liable to a penalty.
