

The AP[®] Program

at

Hamilton High
School

The Basics

Advanced Placement Program® (AP®) **courses** are college-level courses offered in high school. AP courses reflect what is taught in top introductory college courses

At the end of course, students take **AP Exams**—standardized exams that measure how well students have mastered college-level course work.

Students who do well on AP Exams can earn credit and/or placement into advanced courses in college.

The Benefits of AP Courses

AP courses can be challenging, but it's work that pays off.

- AP courses are often the most interesting and fulfilling courses a student takes in high school.
- AP teachers are among the most prepared, dedicated, and inspiring teachers at their schools.
- Students develop confidence, and learn the study habits and time management skills essential for success in college.

AP and College Admission

- Colleges rank “Grades in college prep courses” and “Strength of curriculum” as the **top two factors** in the admission decision.*
- 85% of selective colleges and universities report that a student’s AP experience **favorably impacts** admission decisions.**

“We look favorably on students who have taken AP courses. The presence of AP courses is a sign that a student has chosen to challenge him/herself.”
—Admission Officer

AP Courses Offered by Our School:

- Studio Art Drawing/2-D Design – Pam Mierow
- Studio Art 3-D Design – Pam Mierow
- Computer Science – Brenda Savic
- English Language and Literature – Deb Figueroa
- Calculus – Steve Akin
- Statistics – Penny Komatz
- Chemistry – Eric Murray
- Biology – Kim Leannais
- Physics – Tim Moeller
- European History – Thomas Dorgan
- U.S. Government & Politics – Eric Ebert
- U.S. History – Robert Pechanach

What Are AP Courses Like?

AP courses typically demand more of students than regular or honors courses.

- Classes tend to be fast-paced and cover more material than typical high school classes.
- More time, inside and outside of the classroom, is required to complete lessons, assignments and homework.
- AP teachers expect their students to think critically, analyze and synthesize facts and data, weigh competing perspectives, and write clearly and persuasively.

AP Exams

- AP Exams are administered by schools worldwide on set dates each May.
- Exams usually last around three hours.
- Each AP Exam contains:
 - Multiple-choice questions
 - Free-response questions (essay, problem-solving, oral response)

AP Exam Fees

- AP Exam fee for 2011 is \$87 per exam. Students at HHS are only responsible for \$44. The Hamilton School district will pay the balance of the AP Exam cost for each student.
- **ADVANCED PLACEMENT** - These courses are designed for students who will be pursuing a college education and who are willing to accept the rigor these classes require. Students will be held to standards comparable to those of actual college-level courses. Students may elect to take an Advanced Placement Examination administered by the College Board for each Advanced Placement course they are taking. Students will pay half of the cost for each exam. The Hamilton School District will pay the balance of the Advanced Placement Exam cost for each student. College credit may be earned based on the individual student's AP exam scores. Hamilton offers Advanced Placement courses in Studio Art, 3-D Art, Biology, Chemistry, Computer Science, Physics, English, Calculus, Statistics, History, Government and European History. Students must complete an AP application/verification form (available in guidance) and be accepted. AP grades are weighted on a 5.0 scale (A=5; B=4; C=3; D=2; and F=0).

Why Take AP Exams?

More than 3,200 colleges and universities offer credit or advanced placement for qualifying AP Exam scores. This includes more than **90 percent** of four-year U.S. colleges and universities.

- Credit:** Students earn points toward their college degrees
- Advanced placement:** Students can skip introductory courses, enter higher-level classes, and/or fulfill general education requirements.

AP Credit Expands Students' Options

College credit earned through AP Exams allows students to move into upper-level college courses sooner, pursue a double major, and gain time to study and travel abroad.

“As a freshman, I was able to skip general education requirements and head straight into the higher-level classes I wanted to take. Taking AP Exams literally saved me semesters of time.”—Brent Wiese, University of Iowa

AP Credit Policy Information

Information about AP credit and placement policies at many colleges and universities is available at www.collegeboard.com/ap/creditpolicy.

1. Search by college or university name or by letter of the alphabet
2. You will see two things for each school:
 - A link to the college's own Web page that details its AP credit and placement policies.
 - A statement by the college or university about its AP policy.

The screenshot shows the CollegeBoard website's navigation bar with links for students, parents, and professionals, along with a search bar. Below the navigation bar is a blue banner with the CollegeBoard logo and a 'for Students' link. A row of five colored buttons (blue, purple, red, orange, green) represents different stages of the college planning process. The main content area is titled 'AP®' and includes a sidebar with links for 'About AP', 'Registering', 'Preparing', 'Calendar & Fees', 'Exam Day', 'Exam Grades', 'Exam Security', 'Contact Us', and 'Subjects'. The 'Subjects' dropdown menu is open, showing 'Select a Subject'. The main content area is titled 'AP Credit Policy Info' and 'Advanced Placement Program'. It includes a breadcrumb trail: 'Home > College Board Tests > AP Credit Policy Info'. Below this is a section titled 'Find colleges and universities with AP credit policy information:' followed by a list of letters: 'A - B - C - D - E - F - G - H - I - J - K - L - M - N - O - P - Q - R - S - T - U - V - W - X - Y - Z'. There is a 'School Name:' input field with a 'Go' button. A note states: 'To begin your search, enter the name of the college or university or select a letter of the alphabet to find institutions that begin with that letter.' On the right side, there is a box for 'AP International Recognition' with a link to 'Go to AP International Recognition'.

AP Helps Students Graduate on Time...

Students who take AP courses and exams are much more likely than their peers to complete a college degree on time.

- Only **one in four** students who enter college complete a bachelor's degree in four years.*
- A recent study** showed that students taking AP courses and exams were **much more likely** to earn a college degree in four years.

For example, AP English Literature students had four-year college graduation rates that were **62% higher** than students that had not taken AP English Literature.

... and Save Money

- Students who take five years or more to graduate can spend **\$8,000-\$27,000 for each additional year in college.**
 - The typical college cost per year for a four-year public institution is \$8,142 for in-state students and \$19,670 for out-of-state students.*
 - Students attending private institutions might expect to incur \$27,389 for each additional year it takes to earn a bachelor's degree.*

AP Boosts Eligibility for Scholarships

31% of colleges and universities consider a student's AP experience when making decisions about which students will receive scholarships.*

“Having the AP Exam score can make the difference when it comes down to awarding precious scholarship dollars.”
—Edwina Harris Hamby, former Dean of Admission, Fisk University

AP and College Success

A recent study* showed that students who earned a 3, 4, or 5 on the AP Exam had **higher first-year college grade point averages** and were **more likely to return for the second year of college** than non-AP students of similar ability.

“One of the best standard predictors of academic success at Harvard is performance on Advanced Placement Examinations.”

—William Fitzsimmons,
Dean of Admissions &
Financial Aid, Harvard
University
