DISTRICT OPERATIONS DEPARTMENT

FY 2016-2017

STAFF REQUEST

Child Nutrition Services:

Additional staff will be required as the District's student population increases.

Custodial:

Additional staff will be required as the District's student population increases; plant size grows; and buildings age.

Grounds:

As the physical plant size of the District grows, additional staff will be required to maintain the grounds, including: landscaping, mowing, irrigation, snow removal, maintenance of playground equipment, etc.

Maintenance: 1 FTE

\$50,000

The opening of the Intermediate School necessitates the additional staff. This new facility adds substantially to the physical plant size of the District. 104,059sf of building space; over 158,000sf of asphalt; and over 25,000sf of sidewalk is included on the additional 20 acres. This position will be responsible for Maintenance of the Buildings and Grounds. As the facilities age, additional maintenance will be required. See attached.
