A DAY AT THE ZOO

My brothers and I went to the zoo last Saturday. Mom took us to the zoo for the whole day. It was so much fun to see all the animals. First we took a train ride around the zoo. Next, we went to a show about birds. I got to touch an eagle. We spent the rest of the morning looking at giraffes, elephants, and zebras. We had a picnic lunch and played in the park. After lunch, our mom took us to see the reptiles and the farm animals. Mom bought us each a balloon and ice cream before we went home. It was a great day at the zoo.
