

JUMPING ROPE

My name is Melissa. I am eight years old. I am in the second grade. I have two sisters. Marion is six years old, and Monica is four years old. We all love to jump rope. We jump rope in our back yard every day. We take turns jumping. Marion and I can do lots of tricks when we jump. Monica is learning to do tricks, too. Our parents sit on the deck and watch us jump. We can jump for hours and not get tired. We sing songs when we jump. We say rhymes when we jump. It is so much fun to jump rope!
